

# MANDATORY REPORTING

## NARANGA SCHOOL POLICY

### Rationale:

- All children have a right to feel safe and to be safe. As teachers, we have a legal and moral responsibility to respond to serious incidences involving abuse and neglect of the children with whom we have contact, and to report instances that we believe involve emotional and physical abuse, sexual abuse or neglect.

### Aims:

- To ensure that children's rights to be safe are maintained and each child is protected against physical and sexual abuse, and neglect.
- To define the roles and responsibilities of school staff in protecting the safety and wellbeing of children and young people.
- To enable staff to identify the indicators of a child or young person who may be in need of protection.
- To enable staff to make a report of a child or young person who may in need of protection.

Mandatory reporters, who believe on reasonable grounds that a child or young person is in need of protection from physical injury or sexual abuse, must report their concerns to Department of Human Services (DHS) Child Protection.

All other school staff who believe on reasonable grounds that a child or young person is in need of:

- protection are encouraged to report their concerns to DHS Child Protection or Victoria Police.
- therapeutic treatment are encouraged to report their concerns to DHS Child Protection.

If staff have significant concerns for the wellbeing of a child or young person they are encouraged to report their concerns to DHS Child Protection or Child FIRST.

In cases where staff have concerns about a child or young person, they should discuss their concerns with the principal or a member of the school leadership team.
