

PROFESSIONAL DEVELOPMENT

NARANGA SCHOOL POLICY

Rationale:

- Focussed and needs driven professional development programs provide optimum opportunities for professional growth, enhanced diversity, and improved student learning.

Aims:

- To provide opportunity for all staff to further their professional skills and/or qualifications.
- To provide opportunities for staff to further develop their awareness, knowledge and skills in current teaching and learning practices.
- To develop and enhance staff skills that in turn will improve student learning.

Implementation:

- Ongoing and needs driven professional development is an obligation of all professionals, School Councillors and some volunteers.
- Each individual's professional development is a shared responsibility between the school and the staff member.
- Each staff member will develop a personal professional development plan that is embedded within, and reflects the professional learning process.
- The personal professional development plan will allow for both school identified needs, and those of a personal interest.(work related)
- The Professional Development coordinator will inform staff of professional development opportunities, which in turn will reflect individual staff needs as identified in performance review plans. The coordinator will also play a role in coordinating and organising professional development activities for the whole school.
- A budget will be allocated to professional development each year and adhered to. Budget implementation will allow, over time, for equity of resources amongst staff, and include an amount for incidental professional development. The professional development coordinator will be responsible for its implementation.
- Staff are encouraged to seek and provide professional development from other staff members within the school.
- All staff and councillors attending professional development have a responsibility to report briefly to the remainder of staff/councillors about the activity and its benefits etc.

Evaluation:

- This policy will be reviewed as part of the school's three-year review cycle.
