

Road Smart

Senior School students attended Sandown Racecourse recently as part of the Road Smart Program. During the session, each student had an opportunity to demonstrate their driving skills under instruction from one of the amazing instructors from Icon Driving School, Nick, Mat and Michael. The students had a great time and now realise the enormous responsibility they undertake each time they get in the car to drive.

Congratulations to all the students who attained their L's this year. Remember, "be safe".

End of Year Celebration

JD1 and JM2

JD1 and JM2 had a fun day out last Thursday at Parc in Frankston.

They enjoyed an afternoon of water activities that included the inflatable obstacle course, the water slides and aquatic playground.

A fun time was had by all.

Civic and Citizenship

Students from JD1 and JM2 visited Frankston City Council on Monday the 10th of December. The students were given a tour of the council chambers and a run down on the services the council provide to the community.
