Principal's Report

Dear students and families,

What an absolutely fantastic night we had at the Frankston Arts Centre on Tuesday night!

Everything was so confidently and professionally done: the music, the dancing, the artwork, the digital photo presentation, the costumes, the venue – oh, I could go on and on!

We can all be very proud of the students and staff of this school – what brilliant entertainment.

Thank you one and all.

Middle Bike Day

On Wednesday the 26th of October selected students from Middle 1 and Middle 2 participated in the 'Sir Hubert Opperman' Perpetual Interschool Bicycle Challenge.' Students competed against 10 other schools from around the area in events such as the 'slalom, slow race, turning right into an intersection and riding the line. The students, who have been practicing hard in their Bike Education class, competed marvelously and came in a very respectful 5th place. Students enjoyed a sausage and received a free drink bottle, some were lucky enough to even win a bike! Great job Middle 1 and 2.
