## Principal's Report

Dear students and families,  
What a fantastic day everyone had on Tuesday with the **Fun Run**. Unfortunately, Mr Fisher is holding on tight to the name of the winning house until assembly on Monday - so make sure you are at assembly next Monday to hear who won!  
Last weekend the Principal's Association of Specialist Schools (PASS) hosted its inaugural PASS Awards Ceremony at Etihad Stadium. We were very proud that our nominee, **Mr Kai Pukarinen**, was presented with the award for **Outstanding Leading Teacher in a Victorian Specialist School**. The award was given in respect of the creative and experiential curriculum that Mr P has devised for students in their early teenage years. The curriculum programs offer a rich range of learning experiences through programs that are of high interest, engaging and practical. The programs encourage self-expression, creativity, and problem-solving through authentic tasks. This award has certainly helped the school to widely promote the positive progress we are making, and we expect an article to be included in the local Leader Newspapers next week.
