Principal’s Report
Dear students and families,

Welcome back to term 3! Another busy term has started.

Please remember to book your mid-year Student Support Group meetings for next week. You should have received a letter this week in your son or daughter’s schoolbag. Please ring the school if you haven’t received a letter or if you would like to request a time next Wednesday. It is important that you meet with your child’s teacher to review their progress towards achieving the goals in their Individual Learning Plans.

The weather has been very wet and cold this week. I have seen several students shivering in shorts and t-shirts in the playground. Please encourage your son or daughter to wear appropriate clothing for the weather conditions.

See you next week for Student Support Group meetings.

Join in the Book Week celebrations and support our school.

After School Care

After School Care promotes a healthy and active lifestyle, encourages friendships and supports children to develop new skills – all while having fun. Karingal Primary School has partnered with Camp Australia, the leading provider of before and after school care in Australia. This high quality program embraces the schools values and builds on your child’s educational experience and individual interests.
The program combines active games with planned and unplanned play, quiet time, homework time and a healthy snack. Every day is an adventure led by enthusiastic Camp Australia staff who are on a mission to bring smiles to kid’s faces. As trained educators, we know lots of different ways to help your child get the most out of their day and feel good about themselves.
