Dear students and families,

It has been very quiet at school this week with two senior school camps happening. The VCAL camp for our final-year students concludes today. These students who are nearly ready to graduate have spent four days living in and touring the city of Melbourne. They have had some fantastic learning experiences, not just while cruising on the Yarra or visiting the Shrine, but also when refining their independence skills – self-care, travel, organisation, budgeting and so on. From all accounts they are having a wonderful time.

The Outdoor Education students have also been away for four days, on a very different type of camp – an adventure camp at Rubicon – where students have been challenging themselves with white water rafting, tree top climbing and being in the wilderness! We are looking forward to hearing their camp stories when they return this afternoon.

Tickets for the school concert are now on sale and are available from the school office. The School Concert is at the Frankston Arts Centre on Thursday 6th November. You can drop into the office or call Jane, Sally, Linda or Carol on 9788 2222.

We are getting a huge response for our major celebration, the Naranga 40th anniversary celebration. The celebrations will be held here at school from 5 to 7pm on Tuesday 25th October. You might like to catch up on what is happening and who is coming by checking out our dedicated Facebook page Naranga School 40th Anniversary.

Tickets are now on sale from the school office. Please send your order form and money to the office and the tickets will be allocated and sent home with the students.

Tickets are $12 each

Student Pick-up
Due to the large amount of congestion at the front of the school at pick-up time, we are requesting that all students who are NOT travelling home on the bus be collected from the back gate in the afternoons.

No Standing Zone
There is to be NO PARKING OR DROP OFF/PICKING UP at the NO STANDING ZONE at the front of the school.

Star Student
Star Student for this week is Michael S for showing respect to the students in his cooking class. Well done Michael!!!

MIDDLES MARVELLOUS, COLOURFUL, CREATIVE LAYERED SPONGE CAKES

This week Middle students were inspired to learn the basics about sponge making. They used hand beaters to beat eggs and sugar and remembered to sift their dry ingredients (corn flour, plain flour and self-raising flour) three times. Students added food dye to the mix. It was a surprise to cut the six layered sponge in half to reveal the colour combinations.

**Best Ever Sponge**

**Ingredients**
- 2 eggs
- 1/3 cup castor sugar
- 2 tablespoons corn flour
- 2 tablespoons plain flour
- 2 tablespoons self-raising flour

**Method**
- Have eggs at room temperature. Beat whole eggs in small bowl until thick and creamy. Beating time on moderately high speed about 7 minutes.
- Add sugar about 1 tablespoon at a time, beating after each addition until sugar is dissolved.
- Grease a 20cm round tin and sift dry ingredients together 3 times to aerate and mix the flours.
- Fold the dry ingredients through the egg mixture. Use a spatula to lightly fold, as heavy handling will give a flat, tough sponge.
- Spread mixture evenly into the pan, bake in a moderate oven for 20 minutes. Sponge will shrink very slightly from the side of the pan and top of the sponge will feel springy when touched gently with fingertips. Turn sponge immediately onto a wire rack to cool then reverse sponge so that wire rack does not mark the top.

THE MIDDLE SCHOOL NEEDS YOUR HELP!!

Over the next few weeks the students in the Middle school would like the Naranga school community to help us collect recyclable items. Materials may include milk cartons, yoghurt containers, plastic juice bottles, cardboard boxes, cereal boxes. (Please no egg cartons)

Students have set themselves a challenge of making a structure using all recyclable materials.

If you have materials please could you send them to school with your child to help our project.

With thanks Middle school students and teachers.
