Principal's Report
Dear students and families,

Yesterday was a great day for a group of Middle School students who participated in the Bike Ed Challenge. Held at Ballam Park, the students participated in a variety of activities organised by Road Safe. The weather was beautiful and the students all worked really hard to get the best out of the day. The best outcome from the day was that Liam W in MS won a helmet and a $350 gift voucher to buy a bike from Sealy’s Bikes. What a fantastic effort – congratulations Liam!

We are all very excited that our major celebration, the Naranga 40th anniversary celebration, is happening next week. You are welcome to join us from 5pm to 7pm on Tuesday 25th November. Activities include presentations of video footage of past school concerts, roaming musicians, bouncing castles, a sausage sizzle, student performances, popcorn, stalls and LOTS and LOTS of photos from the past 40 years.

See you there!

Sue

Student Pick-up
Due to the large amount of congestion at the front of the school at pick-up time, we are requesting that all students who are NOT travelling home on the bus be collected from the back gate in the afternoons.

No Standing Zone
There is to be NO PARKING OR DROP OFF/PICKING UP at the NO STANDING ZONE at the front of the school.

Star Student
Tiffany M is Star Student for this week for being responsible during graduation interviews.

Good job Tiffany!!!!

School Contribution Levies
A reminder that Subject Contributions are overdue. If you can make payment as soon as possible it would be appreciated. Payment can be made by cash, cheque, direct deposit or credit/debit card either in person or over the telephone at the office.

THE MIDDLE SCHOOL NEEDS YOUR HELP!!

Over the next few weeks the students in the Middle school would like the Naranga school community to help us collect recyclable items. Materials may include milk cartons, yoghurt containers, plastic juice bottles, cardboard boxes, cereal boxes. (Please no egg cartons)

**Students have set themselves a challenge of making a structure using all recyclable materials.**

If you have materials please could you send them to school with your child to help our project.

With thanks Middle school students and teachers.

**Sunscreen Use at Naranga School**

Naranga School provides students with sunscreen produced by The Cancer Council. It is fragrance free, SPF 30+ and water resistant. Sunscreen is available for all students to use however parents/carers are requested to inform the school if their child has any allergies or skin conditions that prevent them from using sunscreen .If your child has an adverse reaction at school, I will certainly inform you.

Naranga School will:

- Encourage students to apply their own sunscreen 20 minutes before going outside.
- Remind students to apply and reapply sunscreen as required.
- Allow access to sunscreen for all outdoor activities.

If you have any questions please do not hesitate to contact me.

**40th Anniversary**

We are getting a huge response for our major celebration, the **Naranga 40th anniversary** celebration. The celebrations will be held here at school from 5pm to 7pm on **Tuesday 25th Nov**. You might like to catch up on what is happening and who is coming by checking out our dedicated Facebook page **Naranga School 40th Anniversary**.

MC News
As you may have read in last weeks newsletter, Middle School students have set themselves a **challenge of making a structure using all recyclable materials.**

**What materials are allowed?**
Milk cartons, yogurt containers, plastic juice bottles, cardboard boxes, cereal boxes. We just can’t use egg cartons.

**When will the challenge be happening?**
In the last week of term.

**How have you been preparing?**
This week MC have been experimenting with making strong structures. We used marshmallows and toothpicks to make these interesting shapes.

**How can the Naranga community help?**
If you have any materials could you please send them to school with your child.
