Dear Parent(s) or Carer(s),

STUDENT ACCEPTABLE INTERNET USE AGREEMENT 2017

The Department of Education and Training has rules regarding acceptable use of the Internet, links to which can be found on the eSmart page of Naranga's website: www.naranga.vic.edu.au. Our Agreement aims to encourage our students to safely use the Internet at Naranga School with rules and a consequence that are easily understood by students.

My Rules for On-line Safety

- I will not give out information such as my address, telephone number, my parents work address/telephone number or the name and location of my school without my carers', parents' or teachers' permission.
- I will tell my carer, parent or teacher if I come across any information or pictures that make me feel uncomfortable.
- I will never send a person I "meet" through the Internet my photo without first checking with my carer(s), parent(s) or teacher(s).
- I will not read other people's Email or forward it on without their permission.
- I will click on the HOME button if I find any messages that are mean or in any way make me feel uncomfortable. I will not reply. It is not my fault if I get a message like that. **If I do, I will tell my carer, parent or teacher.**
- I will not download Software or Games for my own personal use at school.
- I will not bring in any mobile devices and attach them to the school network without teacher permission.

I understand breaking the rules will result in loss of Internet access, at school, for a period of time.
