Principal’s Report
Dear students and families,
This past week has been another busy week. Our students took part in the final netball clinic at the school run by SEDA group (Sports Education and Development Australia). It was great to see our students responding to these young adults, improving their skills and practising their communication.

For those parents who have visited the school in the last week would notice there are works happening around the entrance to the office. A new front door is being installed and improved lighting around this area. This is another example of continual improvement and upgrades around the school. In support of this continued upgrade Middle M have taken on a project of building the garden near the entrance. The students are planning and working cooperatively to improve the look of the garden beds.

Lastly, a reminder that Monday is a pupil free day whilst the staff are involved in training.

Father’s Day Orders
You should have received a Father’s Day gift order form recently. There are a number of lovely gifts you can order by just completing the order form and bringing it, along with the money (cash only), to the office by Friday 29th August.

Sorry, no late orders will be accepted.

First Aid News
Just a reminder to Parents/Carers:
Tuesday 19th August @ 9.30am will be our final round of Immunisation for this year. Students who have had two doses of HPV will receive their final dose and Year 7 students will receive their chicken pox (Varicella) vaccine. Please ensure your child is at school on this day.

Thank you, Jenny Camm

Curriculum Day
Reminder: Monday 18th August is a curriculum day. This will be a student free day, therefore students are not expected to attend school.

Star Student
This week’s Star Student is Belle F for being friendly and respectful to all. Always!!!
Well done Belle!!!

Nude Food Day at Naranga on Wednesday 20TH of August

Please stop and think about reducing your waste to save the planet and look after our school environment. Say NO to extra packaging and pack your lunch in a recycled paper bag or in clear BPA free plastic containers. Classes will have their rubbish weighed. The class with the least about of rubbish will win the Golden Wheelie Bin award.

ENVIROWEEK
CLEAN UP Day at Naranga on Tuesday 19th August

Primary, Middle and Senior students will work together to clean up their areas from 9.10am to 9.30am. Gloves, bags and brooms provided. The tidiest area will win a mini greenhouse kit. Let’s take pride and respect in our school environment. If we all work together and remember to put our rubbish in the bin our school environment will be clean and healthy.

POSITIVE BEHAVIOUR SUPPORT NEWS

Naranga School Expectations:

Be Safe  Be Respectful  Be Responsible  Be a Learner

This week’s focus: What does being respectful look like?

· Use your manners
· Share and take turns
· Take care of your school
· Treat others as you would like to be treated
· Listen to each other
· Follow instructions

Star Student Award:

This term school staff will be nominating students for Star Student Awards based on the four expectations listed above. This week students will be nominated for demonstrating respectful behaviours in the classroom, in the playground, on excursions and on the bus. Each fortnight staff will focus on a different expectation and one student will be selected as the Star Student of the Week. Families can support this by discussing respectful behaviours at home and in the community as well.
Out and About-Prim L

Prim L, J and H visit a range of community places every Tuesday. As a group, prior to our excursion, we talk about being respectful to people in our community during Out and About. We discuss the rules we follow as a class on the school bus as well as the codes of conduct when we are visiting a special place.

Ashley: we stay with the teachers.
Jayden: we use good manners.
Jake: we stay together.

This week we visited Overport Park.

Curtis: I liked playing with my friends Ashley, Lachlan, Michael and Reuben. We played on the flying fox.
Ashley: I liked the balancing beam.
Brydon: I liked running around.
Reuben: I liked playing on the see-saw. It was bumpy. I jumped up and down.
Michael and Lachlan: We liked the flying fox. We had to hold onto the bar tightly. We had to line up and take it in turns to zoom across.

Winter is here! So now is the time to think about home fire safety.
- Every household needs to have a home fire escape plan
- Do not leave open fires or candles burning unattended
- Never overload power boards
- Drying clothes must be at least a metre from the heater
- Clean lint filters on clothes dryers after every use
- Ensure electrical equipment is in good condition
- Have chimneys and flues cleaned now
