Principal's Report

Dear students & families,
Welcome back to Term 4! I hope you had a happy and interesting break.

During the holiday break Kai Pukarinen (Mr P) and I went to America on a **study tour**. We visited demonstration schools in Chicago and Hartford that use the 'Positive Behaviour in Schools' framework which we use here at Naranga. We were made very welcome in all these schools, and we learned a great deal about how other schools implement the positive framework.

Congratulations to the students and teachers in the Senior Photography class. **Susan Dunn** and **Cristina Solomon** were excited to receive the news that a number of their photography students were acknowledged in the recent Frankston City Council's "Frankston's History" Student Media Competition. **Ashlin N** and **Jack W** were joint first place winners in the Lower Secondary category, and they won \$625 each! The **Naranga Photography Class** were third place winners in the Upper Secondary Category (\$100).

Congratulations also to a number of our staff who have been short-listed for **PASS Awards** this year: **Outstanding Team** "Early Childhood" – Monica Jackson, Hayley Spector, Francine Loosemore, Lydia Woodward, Angela Russo and Kyria Morgan; **Outstanding Education Support:** - Alan Cady-Ellis; **Outstanding Graduate Teacher** - Filbert Bacus; **Outstanding Principal:** Susan Coull

WHAT IS NUDE FOOD?

NUDE FOOD is simply food that is not wrapped in foil, plastic or commercial packaging.

The best type of nude food consists mainly of fresh food, so that it is healthy and nutritious PLUS environmentally friendly.

Promoting Nude Food empowers students to make conscious choices about what they eat, and encourages them to think about their impact on the environment (and their health). You might be amazed with how enthused your child can become on this...

I'M A NUDE FOOD WARRIOR

✓ TO PACK A NUDE FOOD LUNCH OR SNACK, YOU WILL NEED:

- Cutlery from home is better than throwaway plastic ones
- Plastic or metal drink bottles are recommended for refilling with water
- Reusable containers for putting all of your food, snacks and drinks into
- Lunch boxes that have lots of separate sections can be useful to avoid lost lids or containers

✗ TRY TO AVOID:

- Zip lock or plastic bags, plastic wrap or aluminium foil
- Tetra packed drinks, single serve yoghurts and cheese
- Single use plastic forks and spoons
- Prepackaged food, i.e. biscuits, snack bars and chips

TIPS FOR PACKING NUDE FOOD LUNCHES:

- Try to involve the kids in helping decide what to take. This will help to avoid uneaten foods being thrown out, plus will save your family money as well. Also, remember to praise your child if they do eat something healthy which is new for them.
- Try to pack the lunches the night before and store in the fridge overnight to avoid the mad rush in the morning.
- If your child normally enjoys chips, yoghurt or other prepackaged snacks, buy these in a larger format and you can decant these into smaller reusable containers or lunchbox.
- If your child does enjoy chips, why not try making your own veggie versions using sliced beetroot, parsnip or sweet potato and baking in the oven?
- Try to use fruit and vegetables that are in season. Seasonal produce is friendly to the environment as well as to your budget, as less fuels are used to transport it into your supermarket.
- Go to www.nudefoodday.com.au/resources for Nude Food recipe ideas.
