Principal's Report

Dear students & families,

We are a few weeks into the school year already and the students have settled well and there is some great work and learning being undertaken by students.

Our building replacement project is continuing and whilst it may appear to have slowed down on the site there is a real focus and significant activity happening off site. We have installed a video device so when you visit Naranga School you can see real time updates of the building area. In addition the basic plans and photos of our new building are displayed on the wall in the office reception area.

Last week we had our "Welcome back to Naranga School for 2019" BBQ. From our estimates of numbers we are pleased that it was the most successfully attended activity in recent years. It was a great opportunity for parents and students to chat with staff outside the regular school day. Over 200 sausages were cooked and consumed during the event.

We are coming to the end of our designated week of Student Support Group (SSG) meetings. If you have not caught up with your child's classroom teacher or you do not have a meeting time yet, it is not to late. Please take the time to attend as this will give you an opportunity to meet your child's teacher and continue that partnership in their education at Naranga School.

Shaun
Assistant Principal

The gate in Alexander Avenue will be unlocked from 8.45am and relocked at 9.00am. If you arrive later than 9.00am you will need to go to the office and sign your child in.

OUTDOOR EDUCATION - SENIOR PROGRAM

What an exciting start to the senior Outdoor Education Program. In week one the students worked towards getting to know each other through a problem solving activity called 'Duck Rescue'. They used different lengths of rope and straps to retrieve a bucket that contained a rubber duckie, without placing their hands on the container. This required creativity and good communication skills. Week two saw the group venture to Arthurs Seat to do the circuit walk. Unfortunately, the weather wasn't kind and the relentless rain meant that we had to seek shelter earlier than expected. The group participated well by helping to prepare and cook the BBQ and of course eat the delicious food. Our most recent excursion was to Devilbend Reservoir where the boys demonstrated determination to complete an 11km bushwalk. Along the way the group participated in a stone skipping competition, which for some was their first time, discussed introduced species, used their understanding of compass points and enjoyed the physical challenge. We look forward to the upcoming bushwalks and beach activities.
