## Principal's Report

Dear students and families,

With only a week of school until the end of term we have again had a great week. Just yesterday a group of Pathways students, as part of their 'hands on program', travelled to the city on public transport and spent the day at the Flower Show near the Exhibition building. Last week all the pathways and senior students and some upper junior students attended a talk on 'one punch can kill'. It was a sobering presentation and from the responses from the students the message was well received. The presenter was an inspiration as she was directly affected by such an incident only a few years ago.

Lunchtime activities continue for the students with the junior students actively involved. Those activities include Basketball, Running Club, Music, Colouring club, GoNoodle and BeeBot's. Ask your children what they do during these activities if you want to learn more about them.

Activities and events coming up next week include a 4 day bike camp for some senior and pathways students.

With Easter fast approaching we are holding an Easter fundraising raffle. The tickets went home yesterday. To support this initiative we are having a free dress day on Monday and instead of asking for a gold coin donation we are asking students to bring an Easter egg. The raffle will be drawn at the end of term assembly on Thursday 1:30pm. Don't forget school finishes at 2pm on that day.

On Monday evening next week Naranga is holding a careers expo at school from 6-7:30pm. Everyone is welcome.
