Principal's Report

Dear students & families,

We are nearly two weeks in for term 2 and there have been some exciting celebrations. The big one being the Student Representative Council (SRC) students were awarded their name badges at assembly this week along with our school captains and vice captains. They were all very proud of the recognition. These students meet every week with Sue Coull to work at developing programs, resources and facilities in a cycle of continued improvements for students at Naranga. Everyone has a voice of representation for their class and the group values everyone's contribution.

Also this week our students met in their house groups with the teachers. The purpose of these meetings was to get to know the other students from across the school. Students and staff wore their house T-shirts, it was a sea of colour. From the feedback the students found it valuable to be able to support each other in their house.

Now we are in term two the colder weather has arrived. It is a reminder for students to bring appropriate warm clothes to school. If you are unclear on the school uniform and where to obtain it feel free to contact the office.

I had a tour of the new junior school building and it was exciting to see it. The build is running on time and completion is not that far away. We are all looking forward to moving in. It will be another great resource to further enhance student learning.

Shaun Bacon
Assistant Principal

Reminder: Tomorrow the 3rd May is a Curriculum Day, therefore students are not required to attend school.

BAC News

Late last term, our Upper Junior students went for a 3-day camp at The Summit Camp. It was an exciting, memorable and tiring time for all our participants. Our participants were grouped in to 3 groups. The students chose their names namely; the Fearless Gems, Yellow Bananas and Fast Ferraris. Each group went through different activities namely; Flying Fox, Cave, High ropes Monster Course, a night bush walk and more.

All our students did really well throughout the camp. Many laughs and memories were created between our students. They all looked after each other, encouraged each other most especially during their challenging task. On the last day the a few chosen students who demonstrated all the camp values had a little treat when they were invited to ride a 4-seater army tank. Here are more snap shots of the students in action.
