Principal's Report

Dear students, families and friends,

WE WANT OUR STUDENTS TO TELL US WHAT THEY THINK!

We value student voice as a means to improving student engagement, wellbeing, and quality instruction, and are conducting a survey to find out what your child thinks of our school. The Attitudes to School Survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience.

Students from Year 4 to 12 at our school will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Your child has the right to refuse or withdraw from the survey at any point before, during, or after completion of the survey.

This year the Attitudes to School survey will be conducted at our school over the period Wednesday 29 May to Friday 7 June. The survey only takes up to 20 minutes to complete and occurs during your child's class time.

The survey results will be reported back to the school before the end of term 2. All survey data that is made available in reports are for groups of students only so that no individual student can be identified.

If you would like more information, please speak to your child's teacher or visit:

**Help those in Need
Homeless Coat Drive
Run by the Pathways Fundraising Group
Bring Your Old Coats To Donate
Leave at the office or take to the BER building**

Pathways fundraising group are organising a coat drive. There are 116,000 people who are homeless in Australia, many of these are children. They are without a home for lots of reasons. They have no money, they live in an unsafe environment, or they might have health related issues.

We are coming into winter and it is very cold for people who are living on the streets. You can help by donating any old coats you might have at home that you no longer need. One warm coat can make a huge difference to a person living on the streets. If you have a coat at home that you no longer need please bring it to school and leave at the office or bring to the BER building. You can ask your family and friends to donate as well.

A message from JUNIOR CRERAR!

Junior CRERAR, STEP and JACKSON went on a Woolworths Discovery Tour for our 'Out and About' program.

We saw the bakery, deli, fresh produce section and even got to go out the back to the freezing cold storage!

We were safe by staying with the teachers. We were respectful to other shoppers. We were responsible while answering the guide's questions. We learned new things about fruit and vegetables and the secret workings of a supermarket.
