Principal's Report

Dear students & families,
Assembly yesterday was another celebration of student achievement. In addition to the usual acknowledgement of positive supportive student engagement there were a variety of acknowledgements of physical achievements in running club with lower junior students representing the majority of these awards. Last Wednesday the Student Representative Council were presented with their SRC badges at assembly, another celebration. The SRC meets weekly with Sue Coull to discuss topics and initiatives to improve supports and systems in the school.

If you have spent any time in the lower junior yards you will have noticed facilities work being undertaken in one corner. This is now finished and has extended the yard a little with more under cover and storage area which has already been put to good use.

Our focus on Bully Stoppers continues and if you have not viewed the student work in the office foyer, take some time to do so. The students have done a great job and it is an example of some of the great work students are engaged in at school.

Yesterday the whole senior school visited Werribee Zoo. From the feedback from students and teachers they had an enjoyable day filled with new learning experiences.

With winter officially starting tomorrow it is a timely reminder for students to wear warm clothes that are in line with our school uniform. If you need support with this please contact the school for assistance.

JG NEWS

JG has been very busy so far this term. All students are now participating in Reading Mastery three times a week. This is a reading and comprehension program that is being taught across the whole school. We have enjoyed our Community Access outings that have included going to a honey farm and going to the Frankston War Memorial just before Anzac Day. In week 2 the students went on a two day camp to Safety Beach. Everybody enjoyed the beach and team building activities. Last week about 30 students went to a local primary school to watch an opera performance "By the Light of the Silvery Moon" by Opera Australia. This was based on Edward Lear's poem "The Owl and the Pussycat". All the students thoroughly enjoyed this performance.

A number of our students are participating in Friday Morning Basketball against other schools at the Cranbourne Basketball Centre. A very busy term so far.....
