Principal's Report

Dear students & families,
There is so much to do and the finish line is approaching very rapidly! As you would know by now, the new building project will create a lot of upheaval in the final two weeks of school. All staff are well-prepared to manage this and the timetable will roll on without interruption. Many students will find themselves in new classrooms next week as we move out of the old Junior School building in preparation for its demolition in the Christmas break. There are so many memories contained within its walls and many will say goodbye to it with a tear in their eye. Students have been enjoying painting Christmas scenes on the walls of its corridors to brighten up the building's last few days when it still contains happy learners. However, progress is inevitable and the new building will be an outstanding facility designed with the needs of our learners in mind. Next Tuesday is our transition day. Students will spend morning lessons getting to know their 2019 teachers and classmates. We will welcome all of our new students from other schools on that morning as well so they can begin making friendships prior to next year.

Kai
Assistant Principal

Reminders:
The concert video keepsake (USB) can still be ordered from the office for \$25.

The gate in Alexander avenue will be unlocked from 8.45am and relocked at 9.00am. If you arrive later than 9.00am you will need to go to the office and sign your child in.

The canteen will be closed for the rest of the year.
