## Principal's Report

Dear students, families and friends,

I would like to start by shouting out a HUGE **thank you** to the parents and friends who have helped us raise funds for the **whole-school swimming program**. At the end of last term, the Easter-based activities made a fantastic profit of **\$425.05!!!** Last week, a small but very helpful band of parents and carers made lots of Mums very happy on Mother's Day by selling students a creative and fun variety of gifts. Our Mother's Day Stall raised a whopping \$532.50. We must particularly thank **Carole Symonds** who sought, bought or hand-made most of the gifts on sale. Thank you Carole!

Our **Citizenship Week** has been extremely successful, with students participating in lots of activities and games that help them learn about being a good citizen in the Naranga School community.

We have started each day with **Walk and Talk** around Ballam Park. This has offered students the chance to get some physical exercise, as well as meet and chat with other students and staff. I have really enjoyed matching up students from different classes and sections of the school for a chat about something that they have in common. See page 2 for photos of the Walks & Activities.

During the day, everyone spends an hour on academic work through **Reading Mastery**. This direct instruction program ensures that all students are learning literacy skills at their level of ability and need. Everyone also spends some time learning pro-social behaviours through **Skills Development** activities. **Reflection** time at the end of each school day gives students time to think about their behaviour over the day. They then complete their **Recognition Card** which they take home and share with parents and carers.

Don't forget: you are always welcome to join us at school assembly every **Wednesday** at **9am** when we celebrate our students and their achievements.
