Outside School Hours Care (OSHC) programs will be open for all students during Term 4 in line with their return to onsite attendance at school.

Vaccination

Getting vaccinated is the best way to be protected from and prevent the spread of COVID-19. I encourage all students aged 12 years and over and their parents to get vaccinated as soon as possible. To book a vaccination appointment go to coronavirus.vic.gov.au.

Mental health and wellbeing support for students over the holidays

Mental health support, resources and advice are available for students and families to access over the holidays.

Two factsheets for students and families have been developed to support the mental health and wellbeing of students during this time.

These have been developed to support school students and families over the school holidays to:

- support positive mental health and wellbeing of students
- identify signs that students may need mental health support
- access available support.

These fact sheets are also available in [19 different languages](#) on the department's website.

Please limit your movements over the holidays in line with restrictions and stay safe.

Thank you
