08 November 2021

Dear parent/guardian,

Naranga School is looking forward to another great year of teaching and learning and would like to advise you of *Naranga School's* voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to *offer a wider range of subjects and special curriculum experiences; enhanced digital learning opportunities; including the upgrade of our Sensory room and outdoor basketball court.*

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Kai Pukarinen
Principal
