

Senior School: Camps and Excursions 2019

Dear parents / carers,

We understand that there are many demands on your purse at the start of the school year. At Naranga, we try to make it simple. There are a couple of costs that you are expected to pay for, and some that are optional throughout the year. So that you can plan for your child's school year, we have provided a table of all possible activities, the time at which they will happen, and any associated costs. We offer payment plans for those people who find it easier to pay off costs in instalments. Please talk to Jane, Sally or Linda in the office if you wish to take up this option.
