PURPOSE

The purpose of this policy is to outline the values of our school community and explain the vision, mission and objectives of our school.

POLICY

Naranga School is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

The programs and teaching at Naranga School support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- freedom from discrimination
- the values of openness and tolerance.

This policy is available on our school website, is included in our staff induction handbook, and provided in our enrolment packs.

To celebrate and embed our Statement of Values and Philosophy in our school community, we

- display posters and banners that promote our values.
- celebrate our values in our school newsletter.
- provide awards and recognition for students who actively demonstrate the values.
- discuss our values with students in the classroom, meetings and assemblies.
- model and demonstrate our values at all times.

VISION

Naranga School provides educational programs that are engaging and meaningful in a structured, safe and supportive learning environment so that students develop the knowledge and skills that equip them to be independent and able to make a valuable contribution to society.

This is reflected in our school motto: **Learning for Life**

VALUES

Naranga School's values are visible, explicitly taught and constantly celebrated:

'Be Safe', 'Be Respectful', 'Be Responsible', 'Be a Learner'

The Naranga School Matrix of Expectations is displayed in all areas of learning in the school – including offices. Every classroom teacher works with their students to develop a class-agreed set of expectations for themselves.

Our school houses are named for each of the values: Red House = Be Safe; Blue House = Be Respectful; Green House = Be Responsible; Yellow House = Be a Learner.

Our values are demonstrated and taught in every area of the school at all times, and are celebrated through a variety of awards, rewards and acknowledgements.
